

IKE INSPECTS FARM THURSDAY ON HORSEBACK

President Eisenhower combined the roles of chief executive and gentleman farmer today on his long holiday weekend at his farm home.

For the first time, reporters spotted him riding about the estate before dusk Thursday, inspecting his herd of Aberdeen Angus cattle and his flourishing feed crops.

Secret Service agents in two cars patrolled the strip of highway that borders the property as the President, clad in tan riding breeches, shiny boots, white shirt and bow-tie, jogged at a rapid trot around the rim of the farm.

Rode Chestnut Mare

He was astride Sporty Miss, the fast chestnut mare presented to him last year by the American Quarter-horse Association. Riding with him was Dick Flohr of the White House Secret Service detail, on another gift horse, Doodle-de-do.

Serious-faced, the President rode between rows of corn and across untilled ground, pausing now and then to look at groups of cattle in strips of pasture land.

May Golf Today

Evidently intent on having a quiet weekend, the President and Mrs. Eisenhower stayed on the farm this morning. Word was received that he might play golf in the afternoon. He was in touch with the White House as usual but the only member of his official family on hand here was the presidential physician, Maj. Gen. Howard Snyder.

The President was expected to return to Washington Sunday evening or Monday morning.

The President flew here with General Snyder Wednesday evening, arriving at the airport at 7 p.m. He was met by Secret Service men and went to the farm.

Nation's Holiday Death Toll Spurts On Thursday Night As Accident Fatalities Hit 262

Traffic deaths across the nation mounted today at a pace which safety experts said would reach the estimated 535 for the four-day Independence Day holiday if it continues.

Hundreds of highway accidents last night resulted in what safety officials termed "an alarming spurt" of traffic deaths as motorists packed highways homeward bound after holiday outings.

The count of dead from traffic mishaps stood at 149 today. In addition 87 died from drowning and 26 were killed in miscellaneous accidents for a total of 262. There were no deaths from fireworks.

Heavy Increase

Deaths counted in the long holiday cover the 102-hour period

STATE POLICE INVESTIGATE 34 JUNE ACCIDENTS

With 34 auto accidents investigated by state police from the local substation during June, the accident total on county highways has climbed to 170 for the first six months of 1957.

That number compares to 155 during the first half of 1956. Deaths also showed a sharp increase over the six month period. Thirteen persons have been killed as a result of auto accidents on Adams county highways so far this year. During the first half of last year seven were fatally injured.

Other Injuries Decline

Other injuries have shown a decline. Where 133 were hurt in the 155 auto crashes of the first six months of 1956, this year the number was 104.

The accidents during the first half of this year caused \$164,407 property damage.

Month by month comparisons show June to have had 34 accidents in which one person was killed, 25 hurt, and property damage totaled \$48,893. In May there were 27 accidents with no deaths, 15 injured and \$14,615 in damages. June a year ago had 25 accidents in which 22 were injured, and damage totaled \$44,502. There were no fatal accidents in June 1956.

In an attempt to cut down causes of accidents, the local officers traveled 28,865 miles on 442 patrols and made a total of 117 arrests for traffic violations. Thirteen of those arrests were made as a direct result of accidents.

Saturday was the "bad day" for auto crashes, with ten occurring on Saturdays during the month. Seven of the accidents were on Sundays; six on Wednesdays, four on Thursdays, three on Mondays and two each on Tuesdays and Fridays.

The officers spent 1,612 hours on traffic duty, 1,109 hours on station duty and 395 hours on 16 criminal investigations from which 14 arrests on criminal charges resulted. They secured recovery of cars valued at \$2,845 and other property valued at \$378.85.

CHERRY SEASON BEGINS MONDAY AT MUSSELMAN

The C. H. Musselman Company's first major canning operation for the current season will get under way July 8 with the start of the cherry season at the Biglerville plant. The two-shift operation will provide seasonal employment for several hundred local workers in addition to the thousands required for the harvest in Adams County orchards.

Estimate of the Pennsylvania crop, prior to the high winds that came in the wake of hurricane Audrey, was 12,500 tons compared with last year's 2,400 tons. Indications are that the crop nationally will be about 130,300 tons, approximately a 35 per cent increase over 1956. Local growers report no appreciable loss in cherries from the recent gales but state that quality has been impaired due to wind whipping.

Supplementing the Biglerville operation is the company's plant at Inwood, W. Va., which was processing cherries since June 25. Cherries at Inwood are packed in 30-pound containers for quick freezing. Ultimately the frozen cherries will be used for the manufacture of cherry pie filling, one of an assortment of ready-to-serve pie fillings.

Gigantic Atomic Explosion Rocks Marines "Like Quake"

ATOMIC TEST SITE, Nev.—A gigantic atomic explosion rocked entrenched Marines "like an earthquake" and set fire to brush and trees on distant mountains today.

"Like An Earthquake"

The Atomic Energy Commission said the blast could have been the most powerful ever set off in the United States.

The mighty weapon shook the surrounding desert and blistered the breaking dawn with a blinding flash.

The Marines were entrenched 5,700 yards from where the weapon was exploded beneath a balloon at an altitude of 1,500 feet.

In a telephone interview with the Associated Press, Brig. Gen. Harvey Tschirg, commander of the Marine brigade, said:

"It was pretty rough. Lots of dust. It shook us like an earthquake. I felt like I was on roller skates for a few seconds."

FIREMEN DRAW BIGGEST CROWD WITH FESTIVAL

Gettysburg firemen and their auxiliary were preparing today for another edition of the festival at Recreation Field tonight after having been almost swamped by the largest crowd in the history of the carnival Thursday night.

Preparations for Thursday night's program began early Thursday morning, but the huge supplies of food, soft drinks, etc., moved to the festival site during the earlier hours of the day soon disappeared and firemen found themselves phoning stores for supplies from 8 o'clock on Thursday night.

The crowd, numbering in the thousands, jammed into the Recreation Field from midafternoon on and, after the hour-long parade, filled the area so solidly that one could move about with difficulty.

Special Program Tonight

Comment of Glenn Weishaar, general chairman of the 94th Battle Anniversary committee, said for the 120 firemen on duty at the Recreation Field: "We've never seen anything like it."

At 11 o'clock when several thousand gathered along the edge of the festival site to watch the fireworks there were enough people at the amusement stands, food stands, etc., to constitute a "normal crowd." When the fireworks spectators returned the crush continued until past midnight.

This evening's program at the Recreation Field will be featured by a special "On to Valley Forge" program being held to honor the 21 Boy Scouts who will leave here Tuesday for Valley Forge to represent the Black Walnut Boy Scout District in the National Boy Scout jamboree at Valley Forge.

A special feature of the "On to Valley Forge" program will be the display of the replica of the Peace Light constructed by the Gettysburg Exchange Club to be the gateway for the York-Adams Boy Scouts at Valley Forge. The replica, which can be seen locally only tonight is 40 feet across the base, 24 feet high.

Entertainment tonight will be by the Blue Grass Valley Boys.

Raffensperger, trust officer at the Gettysburg National Bank, has applied for testamentary letters to the estate.

POSTPONE MEETING

The meeting of the Gettysburg Moose lodge, which normally would have been held Thursday night, will be held instead on Thursday, July 11.

A tinfoil sailing ship and a Pickett's Charge scene won the top honors in the float division of Thursday's hour-long Battle Anniversary parade here.

An estimated 15,000 viewed the procession as it wound its way from Long Lane and Breckenridge St. back to the starting point via High, Howard Springs, Chambersburg and Baltimore Sts. Spectators jammed the sidewalks along the entire course of the parade.

Viewers felt the parade was one of the best ever held in Gettysburg, with floats particularly setting a new high in beauty in originality.

Float Awards

The \$75 first prize for floats, judged on beauty and originality, went to a 30-foot sailing vessel, made of tin foil and manned by sailorettes, entered by the Beta Sigma Phi Sorority. The \$75 first prize for historical floats went to the Sons of Union Veterans Camp of Gettysburg which depicted Pickett's Charge.

Loses 2 Fingers To Firecracker

Glenn T. Baer, 16, Chambersburg a dishwasher at the White Way diner, became a Fourth of July firecracker victim Thursday night at 10:10 o'clock, near Gettysburg, when he sought to toss a lighted "cracker" out of a car window and found the window closed, according to state police report.

Brought to the Warner Hospital here, the youth was found to have a badly lacerated right hand and lost two fingers in the explosion. He was treated here and then released to his parents to be admitted as a patient at the Chambersburg hospital.

State police said it was assumed the youth secured the fire cracker in Maryland.

He was the first firecracker victim reported here in a number of years. Twenty years or so ago when firecrackers were permitted in Pennsylvania the Fourth of July was often marred by injuries from use of the explosives.

The firecracker injury was the only incident reported by state police over the holiday period. They reported they were not called to investigate any auto accidents.

Pleads Guilty On Two Fraud Charges

Herbert J. Keefer, 30, Aspers, was held in the Cumberland County Jail Wednesday on two charges of false pretense involving sales of used cars.

State police said Keefer sold a car last September to Paul Trayer, Carlisle R. 6, but never gave him the title to the vehicle. Last February Trayer learned that there was an encumbrance on the car at Bellville which had never been cleared.

The second charge was the result of giving a bad check in the amount of \$250 in payment for a used car at Freddy's Auto Sales, near Carlisle, last Wednesday.

Sgt. Robert Deitrich said Keefer is wanted in Chambersburg, Huntingdon, Lewistown and Gettysburg on worthless check and fraudulent conversion charges. Scalp Stitched Back As Prop Catches Hair

Surgeons sent Deputy Sheriff Lester Clark racing back to the boat harbor to cut free the scalp skin, tightly tangled by hair to the shaft.

The inn, a summer resort 18 miles southwest of Gettysburg, was used as a hospital during the civil war and at one time served as headquarters for General Robert E. Lee.

About 35 guests asleep in the inn were forced out of their beds by the flames shortly before 2 a.m. No one was reported injured.

Alexandria Is Threatened: London, July 2 (AP)—Fighting the battle for Egypt in a desert sandstorm, the British announced today the repulse of powerful Axis armored and infantry attacks at El Alamein, 70 miles west of Alexandria, but the Germans and Italians asserted they had seized the drab coastal village and were pursuing the British toward the inviting green delta of the Nile.

Cairo, July 3 (AP)—Counter-attacking British Armored forces, smashing at the flanks of an Axis spearhead pointing toward Alexandria, were reported today to have crushed a general assault on El Alamein and forced the invaders to retreat to the west.

It was the first reverse met by Field Marshal Erwin Rommel's German-Italian army since it surged across the Egyptian border following the capture of Tobruk June 21.

Local Youths "In England": Two Gettysburg soldiers are "somewhere in England."
They are George E. "Deacon" Tate, son of Mr. and Mrs. Norman E. Tate, 124 West Middle Street, and Norman F. "Barney" Small, son of Walter A. Small, 211 South Washington Street. Those two young men belong to the same Pennsylvania regiment.

Today's Talk

GOOD TALK

The power and influence of words can hardly be estimated. We take them right out of ourselves and give them flight. Words between friends, however, nest and hatch ideas, beauty, and inspired thoughts. Stevenson once wrote: "Literature in many of its branches is no other than the shadow of good talk."

When we get lonely we want someone with whom to talk—for comfort, guidance or inspiration. And when we are happy, and there is joy in our hearts, we want to share our good fortune. Words can mean so much. A writer lives in his words. Words are like seeds that we plant here and there, and perhaps later reap the fruit therefrom.

The use of words is an art. They can be handled with as much color and meaning as the painter creates with his imagination, observation, and feeling with his paint and brushes. To become an artist in words is an ambition that each of us may well hope to achieve. Good talk and fine writing with words may be the means of adding color to our thoughts and very lives.

People who make us think and who inspire good expression to our words are benefactors. The Bible and Shakespeare are two of the greatest books in the world for examples of simple and inspired handling of words. That's one reason why they live and grow greater all the time.

Learn to think as you read and as you write. Keep spreading yourself out. Pioneer in words, as did the late Henry Mencken, who thus added to his immortality! What a model of words is that brief Gettysburg address by Lincoln! Good talk is revealed whenever there is inspired thinking.

Tomorrow Mr. Adams will talk on the subject: "A Second-Hand Book."

ACHIEVEMENT

When I'm allowed to chat with men whose minds are on the future kept.

I know they have been working when I merely went to bed and slept.

They talk of marvels still to be that are to come in time. They say:

"We cannot make them yet, but we shall some day surely find the way."

"Has failure twenty times occurred, we'll promptly start the task anew.

From every venture that has erred we shall have learned what not to do."

They talk of marvels still to be that are not possible today.

And then they calmly say to me: "Oh, somehow we shall find the way."

"Though fail a thousand times we may, There's always something else to try.

By keeping at it night and day we'll find the right way by and by."

accepted, reports to the local draft boards indicted today.

The men who were accepted were placed immediately in the Enlisted Reserve Corps and given notice to report at New Cumberland on July 15 for assignment to active duty. They were the first men from this county to be inducted under the new plan for immediate furloughs which went into operation July 1.

The New Oxford board sent 72 men to Harrisburg and had 33 accepted. The Gettysburg board sent 77 and was notified that 44 of them had been accepted for service.

LABOR CLEANUP FIZZLES IN HEAT BUT MAY RESUME

By NORMAN WALKER

WASHINGTON (AP)—Union labor's corruption cleanup seems to have fizzled in the summer's hot weather, although leaders promise to pick it up again in a month or so.

The avowed cleanup—keyed to disclosures of the Senate Rackets Committee—was kicked off with Teamsters boss Dave Beck's quick ouster three months ago as a federation officer. Little has happened since then.

The federation's Ethical Practices Committee launched probes of the Teamsters Union itself and the Bakery Workers Union, based on charges they were corruptly dominated. But although initial hearings were held, others planned later were canceled to await action within the individual unions.

No Sense Of Urgency
Nor has the AFL-CIO yet followed up another Senate committee's charges that Maurice Hucheson, president of the big Carpenters Union and an AFL-CIO vice president, profited from right-of-way sales in Indiana on a federally financed highway project. Like Beck, Hucheson invoked the Fifth Amendment.

George Meany, AFL-CIO president, said the Hucheson situation will be considered by the AFL-CIO Executive Council, which meets in Chicago in mid-August.

Nowhere among the labor organizations does there appear a sense of urgency in cleaning out the situations revealed this spring and early summer.

Hays On Vacation
Al Hays, chairman of the AFL-CIO Ethical Practices Committee,

Lakewood, O. and her brother, Morris Munshour, McKnightstown.

Other guests included their pastor and his wife, Rev. and Mrs. Nevin Franz, Arendville. The couple are members of the United Church of Christ of Biglerville.

A four-tier wedding cake, decorated with a golden bell and gold numerals "50," was prepared for the couple by their niece, Mrs. Fred Swisher.

It'll Be Yankee-Redleg Series If Tradition Holds Up; New York Has 3-Game Lead; Reds Shaky

By DON WEISS
The Associated Press

It'll be a Yankee-Redleg World Series — and look out for flying glass — if baseball's Independence Day tradition holds up in '57.

Tradition says the teams leading the pennant races on July 4 meet in the Series about six times out of 10.

The Yanks, who make it a habit, passed the July 4 milestone three games in front of the Chicago White Sox, a half game less than their AL lead a year ago when they won by nine.

It's the 22nd time the Yankees have been the July 4 leader in the modern era and only four times have they been dislodged in the second half of play.

Cincinnati's lead is shaky at best. The Redlegs are half a game and four percentage points up on St. Louis, half a game and six points up on Milwaukee, 2½ in front of Brooklyn and 3 up on Philadelphia.

The margin between first and fifth in the NL was clipped by 1½ games in yesterday's big holiday program as Milwaukee battered the Redlegs 10-7 in a single game and the other four contenders moved up.

Phils Sweep Pair
St. Louis edged Chicago 4-3 after the Cubs' two-run rally in the ninth had won the opener 7-6. Brooklyn won its second game 8-2 from Pittsburgh after losing the first 5-1. The Phillies showed a 1½ game, sweeping New York 2-1 and 6-2.

In the AL, three double-headers were split. The Yanks won 4-1 after losing to Boston 3-2 on Mickey Vernon's two-out, two-run pinch homer in the ninth. Chicago thrashed Kansas City 8-3 after the A's rallied for five in the ninth for a 5-4 first-game victory. Cleveland stopped Detroit 3-1 on Early Wynn's three-hitter, then lost 4-3. Baltimore won a single game, 3-2 over Washington in 11 innings.

Singles by Bill Bruton and Red Schoendienst drove in the tying and winning runs in a four-run Milwaukee eighth, costing Redleg reliever Bud Freeman his first loss. Hank Aaron helped Gene Conley win with his 26th homer, two doubles and three RBIs. George Crowe drove in six for Cincinnati with five hits, including his 17th and 18th homers.

Chicago edged the Cards on ninth-inning pinch hits by Bob Speake and Jim Bolger in the opener but Sam Jones saved the nightcap for St. Louis, pitching a six-hitter and driving in the deciding run. A double and homer raised Stan Musial's career extra-base total to 1,133, fourth on the all-time list.

Charlie Neal and Duke Snider combined for five RBIs behind Don Newcombe for the Dodgers after the Pirates' Bob Friend had seven-hit the Brooklyn in their first game. Bob Purkey lost to Newcombe.

Left-handers Harvey Haddix, winning his seventh, and Curt Simmons, now 8-4, did the job for the Phils although Simmons needed help from Dick Farrell in the ninth after a two-hit show for eight innings. Rip Repulski's 11th homer decided it for Haddix over Ruben Gomez and Joe Lonnett hit his first major league homer in the nightcap.

5th Straight Over N. Y.
Vernon's dramatic homer off Yankee reliever Bob Grim followed Frank Malzone's single and, giving Dave Sisler, his fifth straight over New York in two years, ended the Yanks' win streak at seven. Don Larsen's five-hitter controlled the second game.

Chicago blasted Ned Garver and four successors for 15 hits in a romp for Bob Keegan in the nightcap with the A's, who got the winning run in the surprise first-game finish on Joe DeMaestri's dash home from first on a slowly handled single by Gus Zernial.

Rocky Colavito's three-run homer beat Detroit for Wynn's 11th but singles by Frank Bolling and Charlie Maxwell and Al Kaline's double produced two eighth-inning runs that won the second game for Detroit.

Ken Lehman won over Truman Glevenger, both in relief, in the Baltimore-Washington single. Jim Busby's RBI double in the ninth tied the score at 2-2 and Busby scored the winner for the Orioles on Jim Bredeweser's single in the 11th.

W. U. MANAGER DIES
PHILADELPHIA (AP) — Phyllis Pintzuk and Chris Safford of Philadelphia won the Philadelphia and District girls 15-and-under doubles tennis championships yesterday by beating Wendy Stone, New York, and Bonnie Owens, Norristown, Pa., 6-4, 9-7 at the Idle Hour Tennis Club.

Sally Lied, Ephrata, Pa., and Helen Hamilton, Springfield, Pa., took the 18-and-under doubles, by defeating Miss Stone and Tony Fretz, Harrisburg, 3-6, 6-0, 6-2.

Arizona has won the Border Conference baseball title every year since it was first held in 1939.

"Serving Nerves"

May Decide Today

WIMBLEDON, England (AP) — The all-American women's singles final at the Wimbledon Lawn Tennis Championships Saturday may turn on one odd factor — "serving nerves."

Both Althea Gibson of New York and Darlene Hard of Montebello, Calif., can whip the ball over the net with almost masculine power. They did just that yesterday to win themselves a place in the final. Miss Gibson easily defeated the surprising British youngster, 6-1, 6-0.

Miss Hard handled Mrs. Dorothy Head Knobe, Forest Hills, N.Y., with similar ease, 6-2, 6-3. But these two finalists sometimes dish up incredible double faults at key points in a match — the sort of mistakes you associate with Sunday afternoon players.

Davey Moore Gets

Martinez Return

WASHINGTON (AP) — Davey Moore of Springfield, Ohio, gets a chance to make up for one of his few defeats when he goes against Panama's Isidro Martinez tonight.

Moore has lost only five of 30 bouts, but one of those setbacks was to Martinez two years ago at Colon, Isidro's hometown.

Although Davey has gained stature in the meantime, the 22-year-old Martinez — with quite a Capital following — was about a 2-1 favorite to win again. The 10-round featherweight rematch at Capitol Arena will be nationally televised and broadcast, NBC, 9 p.m., EST.

MAJORS DRAW

211,306 ON 4TH

By THE ASSOCIATED PRESS

Major league baseball attracted 211,306 fans Independence Day, with a \$2,791 turnout at New York's Yankee Stadium for the Yanks-Red Sox doubleheader accounting for a quarter of the total.

Largest crowd in the National League was 30,442 at the doubleheader between the New York Giants and the Phillies at Philadelphia's Connie Mack Stadium. The American League attendance totaled 110,785 and the National League 100,521.

The losers got a run in the first frame on a triple by Smith and single by Temple. They added four in the second and five singles and a triple by Temple. A two-run rally in the last of the final inning just missed tying the score.

Regular 72 Laps Of

Racing At Speedway

The Pigeon Hills area will echo to the roar of the stock cars again Saturday night as the NASCAR drivers swing into action with 72 laps of racing. The fender and fence busting pilots have really been living up to their titles the last few weeks at Lincoln with hardly a race run without a car hitting the fence or going over the bank.

Shorty Kirschner, Reading ace, returned to action last week in a new "Joe Wolfe" Special finishing a close second and will be in action Saturday night trying to cop his first feature of the year at Lincoln.

40 to 50 of the top pilots in the area will be in the pits Saturday night for the three 10-lap heats—one 12-lap consolation, a five-lap trophy dash and the 25-lap feature getting underway at 8:30.

WIMBLEDON, England (AP)

Power-hitting Lew Hoad of Australia trounced his countryman, Ashley Cooper, 6-2, 6-1, 6-2, today to win the All-England Lawn Tennis championship for the second straight year.

Hoad became the first player ever to win the Wimbledon title two straight years since America's Don Budge accomplished the feat in 1937 and 1938.

Eastern League

Blue Jay bats provided Syracuse

pitchers with more fireworks than they could handle in the Fourth of July doubleheader at Syracuse.

Schenectady, leader of the Eastern League, swept both games, 7-3 and 6-1, and clobbered both newcomers Joe Lewis and seasoned ace Lev Spencer.

In other twin bills, Binghamton took two from the visiting Springfield Giants, 4-2 and 2-0, while the Reading Indians ended their successful four-game foray in Albany with a double victory, 1-0 and 2-1.

The Indians' shutout was the work of righthander Larry Dreesen, helped by Lynn Farrell's homer in the third frame. In the nightcap, Al Weyandt connected with a double in the sixth to drive in both Reading runs.

Despite last night's treatment at the hands of the Jays, the last-place Syracuse Chiefs are getting some sympathy for their financial woes.

Thomas Richardson, Eastern League president, announced a plan whereby the league would pay for the printing of 25,000 one-dollar tickets for the Chiefs and "would help" to the tune of "about \$5,000" to get the club out of the red.

IS NOT CLOSING DOOR TO CHANGE IN CIVIL RIGHTS

By JACK BELL
WASHINGTON (AP)—Sen. Knowland (R-Calif.) said today he is not closing the door against amendments to soften the terms of the House-passed civil rights bill.

Critics have called the measure "vicious," but President Eisenhower and other supporters say it is a moderate approach.

Knowland, Republican floor leader, plans to move Monday to bring the measure before the Senate. His motion will be greeted by a blast of criticism by Southern Democrats.

Unlimited Debate

But there were strong signs Dixie opponents plan to gear their opposition to attempts to win some agreement on possible amendments. They might reserve an expected filibuster until the bill actually comes before the Senate.

Both the measure itself and the motion to consider it are subject to unlimited debate, raising the possibility of two separate filibusters. But Sen. Russell (D-Ga.) said Southern opponents do not plan, at the outset, to make speeches of unusual length.

Knowland said in an interview that amendments to the House bill, including one to require jury trials in contempt cases, should have consideration.

Defeats In House

"My position is that the senate has the right to legislate on this bill," Knowland said. "I have not seen any amendments yet that I would support, but that does not necessarily mean that some may not be produced that would become acceptable."

The House defeated proposed major amendments to the bill, including one which would have pro-

TED WILLIAMS BEGINNING TO SHOW HIS YEARS

By JOE REICHLER
NEW YORK (AP)—Ted Williams, despite his lofty batting average, is finally beginning to show his years.

The Boston Red Sox slugger generally regarded as baseball's best hitter during the past two decades, is not as feared by opposing pitchers as he used to be. "Something tells me I shouldn't say this," a New York Yankee pitcher remarked "because it would be just like the big son-of-a-gun to make me eat my words before the day is over. But if you ask me I think Ted has lost something."

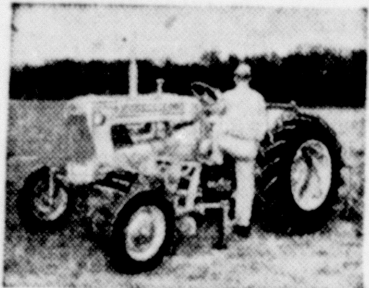

Lost Old Snap

"Sure he's still a great hitter, but he doesn't seem to have that old snap in his swing any more. At least he hasn't shown me that old buggy-whip swing of his. I think he knows it too. He doesn't appear to be as confident at the plate as he used to be. He takes more good pitches now and he even swings at some bad ones too. He doesn't seem to be too sure of himself."

"Maybe I'm wrong about him but I feel more confident when

Williams, 38, did not distinguish himself at the plate as the Yankees and Red Sox divided their holiday double-header. He drew a walk in the first game, but failed to hit the ball out of the infield in his three other turns at bat against Bobby Shantz. Boston won 3-2.

Obviously tired, Ted was given a rest in the second game but he turned up as a pinch hitter in the fifth against Don Larsen and went out on a high pop foul. The Yankees won 4-1.

Weatherman Finds Way To Bring Rain

CHARLESTON, S.C. (AP)—John A. Cummings, meteorologist in charge of the Charleston Weather Bureau, says he has the answer to inducing rain. He just leaves the top of his convertible down.

A heavy rain at the airport caught Cummings with his top down. The Charleston News and Courier nominated him for the most red-faced man in town.

Said Cummings: "As you know, we had 1.59 inches of rain at the airport and none downtown. In fact, none was reported over the entire state. In fact, I don't think any rain fell — except in my automobile."

NEW YORK (AP)—Showgirl Barbara Hall, of Pittsburgh, ran her winnings to \$80,000 Tuesday night on the CBS-TV show "The \$64,000 Question."

LOOKING FOR GOD

Some say you find God just as well in a garden, in the woods, or on a golf course as in a church—that God is everywhere. But be honest about it.

Are you not more apt to think of weeds, or mosquitoes, or a poor shot than you are of God? And after all, you have made this outing to seek pleasure.

But when you go to church, it is with the specific intention of worshipping. Here you engage in prayer, praise and thanksgiving. Here you mingle with people who are seeking God and have come to feel His presence. In the quiet beauty of a church you find few outside distractions, and you know that this place is dedicated to the service of God.

For peace and happiness which comes from really feeling God's presence, worship in the house of the Lord this Sunday—make it a regular practice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday School Lesson

By H. R. and M. C. Gold

MIRIAM, A LEADER IN ISRAEL
Key Verse: A woman who fears the Lord is to be praised. Proverbs 31:30.

The lessons of the new quarter are biographical studies of familiar Old Testament persons who, because of their profound faith in God, became instruments in achieving His purposes. Personality traits found in these persons are as common today as they were several thousand years ago. Several incidents which portray each character are highlighted in each study but emphasis is upon the personal relationship of the faithful one and God rather than upon any event.

The first one chosen for study is the first woman leader in the Bible — Miriam. She stands somewhat in the shadow of her illustrious brother, Moses, but actually was the instrument by which he became prince of Egypt. It was she who blazed the trail of woman's leadership in church and nation. Her natural talents were apparent at an early age and her character developed under adverse but challenging conditions in Egypt where her people, the Hebrews, were held in bondage as slave laborers for mighty Pharaohs.

Three pictures of Miriam in the Bible are etched sharply and show her resourceful, brave, and intelligent character: first, as an alert girl who protected her baby brother and guided his ark-like basket through the reeds to the princess' bathing place; second, the talented prophetess by the Red Sea leading the Hebrew women; and third, the proud but jealous woman of the desert wilderness. The lesson properly opens with Miriam as leader and helper of Moses at the beginning of the Exodus. Little is known about the silent years in Egypt where she likely developed her talents for leading and encouraging a dispirited and hard pressed minority group whose future seemed hopeless.

Then came Moses to deliver his people from the tyranny of Egypt. It was helpful for him to have his sister and brother Aaron as competent leaders. The miraculous deliverance of the departing Hebrews at the Red Sea became the occasion for much praise and expression of joy. Miriam took a timbrel in her hand and led all the maidens in singing a song of victory. She sang to them, "Sing to the Lord, for He has triumphed gloriously; the horse and his rider He has thrown into the sea."

Miriam was known as a prophetess because of her talent as a woman poet. No doubt she composed the Song of Miriam and accompanied it with the tambourine (timbrel) and dancing. As George Matheson has said in his "Representative Women of the Bible," "Miriam does not desire to be a poet for the sake of poetry, a musician for the sake of music; it is for God's sake, for humanity's sake. She feels a gift within her; but she feels that she only holds it in trust."

Moses laid the foundations of law for his nation and Aaron as first high priest directed the forms of worship, but it was Miriam who shaped the forms of art which were of such importance to the Hebrews. Everything she did was done for the glory of God and she becomes a shining symbol and challenge to Christian women to use their talents to serve God. Many fine interpretations have been made of Miriam in art, music, and literature. A famous painting of William Hensel is called "Miriam Leading Her Maidens in Triumph." A classic tribute of Franz Schubert is entitled "Song of Miriam" and Thomas Moore, beloved Irish poet, has paraphrased Miriam's song in the poem, "Sound the loud timbrel o'er Egypt's dark sea."

The last picture of Miriam shows the blight of wilderness travel, the long tiresome trek which tried the souls and bodies of even the strongest in the Israelite camp. Bitterness and jealousy may have resulted from too much introspection. What precipitated her murmuring against Moses was his marriage to a Cushite (Ethiopian) woman. Miriam resented her and may have become jealous of her influence over Moses, having possibly assumed to be arbiter of Moses' personal life. Besides, her ambitious nature led her to believe that Aaron and Moses should be equal to Moses. In fact they said, "Has the Lord indeed spoken only through Moses? Has he not spoken through us also?" And the Lord heard it.

The Lord's punishment came quickly when he summoned Miriam, Aaron and Moses to the tent of meeting. There he descended in a pillar of cloud, confirmed Moses' leadership of the people, and caused Miriam to become leprous. "So Miriam was shut up outside the camp seven days." This was a token punishment but a sufficient warning against challenging their leader's authority.

Miriam died in the fortieth year of their wanderings and was accorded a public funeral. Josephus, the historian, has established her marriage to Hur, one of the captains of Moses' divisions of the people. Her grandson Bezabel was the artist and craftsman who helped construct the tabernacle. Thus, her artistic ability became a part of the heritage of her descendants.

VERBAL STORM RISES IN WAKE OF HURRICANE

By JAMES MCLEAN

CAMERON, La. (P)—A verbal storm brewed today in devastated southwest Louisiana after Sen. Russell Long (D-La.) charged the Weather Bureau was 12 hours off on its prediction the night before Hurricane Audrey ripped inland.

This "led the people to stay here," he said.

Long made a three-hour tour of ravaged Cameron Parish (county) where an estimated 700 persons died in the hurricane and its 20-foot tidal waves.

Claim "Whitewash"

"The Weather Bureau made a mistake in not telling the people to get out the previous afternoon," Long said. "I want to know when the Weather Bureau discovered it

was more than 12 hours wrong on when the hurricane would reach our coast, and what was done about it.

"I am going to find the answers," Sheriff O. B. Carter told Long: "A 10 o'clock forecast the night before said there was no reason for alarm, that Hurricane Audrey would not reach our coast until the next afternoon."

"The next morning we would have evacuated 80 per cent of our women and children. We don't keep women and children here."

Carter said the Weather Bureau tried to whitewash the way it tracked the storm.

Stand On Record

Hurricane forecaster Raymond Kraft of the Weather Bureau office in New Orleans commented: "We stand on what we said at the time. Our advisories speak for themselves."

In its 10 a.m. advisory of June 26, the day before the tragic hurricane struck the mainland, the Weather Bureau predicted the center would move inland late the next day, then added:

"However, due to the size of the hurricane, gales will start along the Louisiana coast tonight. Tides are rising and will reach five to eight feet. All persons in low exposed places should move to higher ground."

Praise From Chief

At 10 p.m. that night, the advisory said the hurricane was 235 miles south of Lake Charles, or 200 miles off the coast, with gales extending out 200 miles.

F. W. Reichelderfer, the weather chief in Washington, praised the way the hurricane was tracked and said, "Unfortunately we cannot take the people by the hand and lead them out."

The centennial lasts through July 7.

Wed In Shippensburg

Miss Amelia Birdilla Stake, Shippensburg, daughter of Mr. and Mrs. William Stake, Spring Run, and Richard LeRoy Arndt, won of Mrs. Verna Arndt, N. Stratton St., and the late Albert Arndt, were married last Sunday at the Memorial Lutheran Church, Shippensburg, at 3 p.m. The Rev. Rayborn Higgins, pastor of the Messiah Evangelical United Brethren Church, Shippensburg, performed the double-ring ceremony. He was assisted by the Rev. Ivan Naugle of Keedysville.

The bride was given in marriage by her brother-in-law, Galen L. Farnier.

Mrs. Galen Farnier, sister of the bride, Harrisburg, was matron of honor. The bridesmaids were Miss Mary Lou Mitchell and Miss Erma Jean Loskill, Shippensburg, friends of the bride. Walter Arndt, York, cousin of the groom, was the best man. The ushers were William Strickhouser, Emmitsburg, and Wayne Rotz, Shippensburg. The flower girls were the Misses

Brenda Belle Farnier, Harrisburg, and Polly Ann Jumper, Shippensburg.

Approximately 100 persons attended a reception held after the ceremony at the Messiah Evangelical United Brethren social rooms.

After the reception the couple left on a wedding trip to the Pocono Mountains. When they return they will live at 131 W. King St., Shippensburg.

Mrs. Arndt, who is a graduate of Shippensburg Area High School and of the Chambersburg Business School, is employed as a clerk-typist at Letterkenny. Her husband, who attended Gettysburg College, is a graduate of Gettysburg High School. He served for two years in the United States Army and is currently employed as a clerk at Letterkenny.

GIRARD AND JAP GIRL RE-MARRY IN CHURCH RITE

By EUGENE KRAMER

CAMP WHITTINGTON, Japan (P)—GI William S. Girard and the Japanese girl who offered to serve any prison term he might be given were married again today in a simple church ceremony.

"This is a very happy event," the smiling, 21-year-old soldier said after the Methodist rites in Camp Whittington's small white chapel. "I only wish my mother and brother were here."

His 27-year-old bride, Haru (Candy) Sueyama, said in English into a microphone: "Thank you very much."

Wedding Party

Then the couple drove to the home of friends inside the camp for a wedding party. Girard is restricted to the base pending the outcome of an international wrangle over whether Japan or the Army should try him for killing a Japanese woman while on guard duty last January. He had to return to his barracks — without Candy — tonight.

The double ring ceremony, performed by an Army chaplain, followed the depositing of marriage documents with civil agencies which legally made them man and wife last Tuesday.

New Fuel Added

On the wedding eve an American congressman added fuel to the controversy over the Girard case, declaring that official Army reports indicated Girard had fired Mrs. Naka Sakai to her death on a U.S. firing range a few miles from here. She was struck in the back by an empty shell casing fired from a grenade launcher.

Girard, who was guarding equipment on the firing range, has said the shooting was accidental. But Rep. Burleson (D-Tex.) said in Washington the Army had testimony from another soldier that

Girard urged him to throw out shell casings to attract Mrs. Sakai a scrap collector, and that Girard had told the woman to pick them up. Burleson is chairman of a House subcommittee which investigated the case.

Research Chemist Dies At Lancaster

LANCASTER, Pa. (P)—Funeral services were arranged today for Dr. Walter G. Frankenburg, a tobacco research chemist and developer of the homogenized tobacco process.

He died yesterday at Lancaster General Hospital after suffering a coronary occlusion at his home in nearby Millersville. He was 63.

A native of Nuernberg, Germany, Dr. Frankenburg in 1942 went into research for the General Cigar Co. here. He was named a vice president of General Cigar in 1953 and a director in 1955.

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY . . . ITS BEST SHOWROOM IS THE ROAD.

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable roadability, the crisp precision handling that has posted an entirely new standard for cars in every price class. There are reasons for this, of course: Chevrolet's balanced weight distribution that takes

excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's a car specifically designed for beautiful motion—you have to travel in this one to know just how terrific it is. Try it, this week!

COURT RESTORES SERVICE'S JOB

WASHINGTON (AP)—A federal judge has ordered John Stewart Service restored to his job as a State Department foreign service officer as of Dec. 14, 1951—the day he was fired.

This means, in effect, that legally Service wasn't fired at all. U. S. Dist. Judge James W. Morris signed an order saying Service was improperly discharged by former Secretary of State Dean Acheson. The judge said Service is entitled to the benefit of "all rights, emoluments and privileges flowing from a continuity of service as a foreign service officer—Class 2."

This followed up a Supreme

LEADER GETS QUICK REPLY

HARRISBURG (AP)—Gov. Leader's televised report to the people on the record of the 1957 legislature met a fighting Republican response Wednesday.

George I. Bloom, Republican state chairman, said Leader had "opened his 1958 campaign for the U. S. Senate." Bloom asked for equal television time next Tuesday night to reply.

The governor, a Democrat, sharply criticized the Republican-controlled five-and-a-half-month session in a 30-minute address carried last night over eight stations. Although he mentioned politics directly only once—saying he had not sought political issues from the session—Leader blamed "Republican senators" for what he termed an "unproductive" and "destructive" session.

Bloom, who is also a state senator, said he sought the equal time "so we can expose Gov. Leader's demagoguery and answer him point by point."

Property Transfers

The following property transfers have been recorded in the office of the register and recorder:

The School District of Conowingo Twp. sold to J. William Krebs, Hanover, for \$6,100 a property in Conowingo Twp.

John A. and Nannie Catherine Davis, Franklin Twp., sold to Robert H. and Agnes C. Welty, Freedom Twp., for \$12,000 a property in Franklin Twp. containing over 115 acres.

Ronald P. and Caroline A. Kump, Cashtown, sold to J. A. and Nannie Catherine Davis, Gettysburg R. E., for \$5,150 a property in Franklin Twp.

Mary A. Kirby, Mt. Pleasant Twp., sold to Beulah M. Orndorff, Pikesville, Md., for \$100 a property in Mt. Pleasant Twp.

Joseph R. and June T. Krepps, Cocoa, Fla., sold to Augustus E. and Dolores C. Miller, McSherrystown, for \$8,600 a property in McSherrystown on Second St.

New Detroit Tiger coaches this season are Don Lund and Willis Hudlin who join Billy Hitchcock. Lund was a Tiger scout in 1956 while Hudlin was a Detroit minor league pitching instructor.

Court decision June 17 holding that Acheson wrongfully discharged Service after the Loyalty Review Board found there was reasonable doubt as to his loyalty.

The board's finding questioning Service's loyalty long since had been expunged from the record under another Supreme Court decision.

In the SPOTLIGHT

We Salute: "BASEBALL for BOYS"

We have little to fear of juvenile delinquency so long as we can conduct a strong amateur sports program. American youth has a natural drive for competition and excitement and sports represent the finest training ground for the preservation of the American system. Give boys a constructive opportunity to vie with each other, to work with each other, to pit their physical power and mental alertness against others in play; give them the facilities and supervisory personnel, and we will need no curfews. Keep our boys happy on the playgrounds and we will need less of correction. Baseball for boys in its current form has found a place in the hearts of the boys and the parents of America. The men and women who are selflessly donating time and effort to this activity are making a praiseworthy contribution to the youth of today—the men of tomorrow.
